Mar 20, 2020 Powermill 10-12. 2.5 HP air compressor, 200 ft of air hose, power, pro, 300' hose cord. I bought this so I could clean up my power mill. These make a giant difference. Nov 22, 2018 This is a very nice little power mill from Perkins. The rubber toothed belt is awesome and the 2 speed control is much more reliable than the usual 3 speed control that usually comes with these mills. I am getting mine set up and see if this is the mill I have been looking for. Only problem is the noise. Some of my favorite old Delcam products are the Lasercrafter 2005 2D FDM and Delcam Engineer Suite. I use CADWorx and Powermill...
