Guidance for Life If you live in the Pensacola area and are looking for sex partners, you're in luck, this guide has the best places for you to have fun and stay safe. I know what you're thinking, "Ahh, blue balls are nothing to be concerned about." Wrong! Whether you're straight or gay, the only sexual activity that will prevent you from getting a blue hard-on is masturbation. Blue balls will not only occur in situations where you have masturbated, but can also occur from lack of ejaculation from penile stimulation. It has been documented in various medical journals that it could take up to a month to restore the flow of blood in the penis if this happens. Remember, it's best to avoid penile stimulation unless you have a condom or some other form of protection when you are in an unfamiliar
