Mroz James Francis Mroz (December 7, 1911 – September 21, 1998) was a political economist, folklorist, and educator. Biography Mroz was born in Slovan in the Czech Republic, and he immigrated to the University of California, Berkeley, where he became Professor of Economics at the University of California, Berkeley, where he became Professor of Economics and Fine Arts. His teaching and research focused on 19th and 20th Century economic history, folklore, and political economy. He retired in 1980. Mroz was elected a member of the American Antiquarian Society in 1977. Awards and recognitions Mroz received the National Heritage Fellowship in 1993 for his book Social Responses to the Industrial Revolution: Folklore and the Political Economy of the Public Sphere. He was a fellow of the John Simon Guggenheim Memorial Foundation, the American Council of Learned Societies, and the Center for Advanced Study in the Behavioral Sciences. Selected works The Next Century: A Study of the Economy of the Public (1968) Social Responses to the Industrial Revolution: Folklore and the Political Economy of the Public Sphere (1993) See also Oscar Handlin References External links Category:1911 births Category:1918 deaths Category:1918 deaths Category:20th-century American historians Category:University of California, Berkeley faculty Category:20th-century American historians Category:University of California, Berkeley faculty Category:Guggenheim Fellows. Nothing to be done about it but get it to the head honcho before the end of the day, so I am doing my thing and I am not leaving until I have delivered. If you get any of the stuff I have bought from the pharmacy, let me know and I'll give you my on all the drugs in the world in exchange, or a fat cheque (yes, that's what they are called in this country), for an OTC medicine from the pharm. I have a favourite here. Let's talk
