Airbnb's move to global scale as it expands into new marketplaces is stunting many smaller, local competitors, who also struggle to find a local audience. Image: Airbnb Allowing rentals of private space — once limited to just a sliver of the U.S. market — to take place across the globe, Airbnb's expansion has prompted more host-to-guest exchanges, shifting some long-standing preferences. With many rentals now made for international trips, owners and guests are discovering they have to get along on both sides. “It takes a little longer for them to come to their senses,” said Dr. Tim Freundlich, a professor of urban planning at the University of Colorado at Denver, where he wrote the book “Airbnb and My Downtown.” While many guests and hosts in other international markets face language or cultural barriers, an Airbnb host in the U.S. who is a foreigner in an unfamiliar town is facing something extra. “They're not like us,” said Freundlich, who opened the first Airbnb in Denver. “They're people from a different country and our understanding of hospitality doesn't always fit their norms.” Airbnb has more than 30 million listings worldwide. Currently, about 4 percent of those locations are in the U.S. ba244e880a
